

**AMQP is the emerging open standard for Messaging Middleware**  
**Join us as at the Annual AMQP Conference as we launch the AMQP 1.0 Public Review**

- ✓ **Learn** about AMQP directly from Working Group members
  - ✓ **Explore** the motivations and objectives of the protocol
- ✓ Get the **inside track** with detailed exploration of the technology in a seminar format
- ✓ **Share** your thoughts in interactive sessions with people who build and implement AMQP technology
  - ✓ Join us at the **evening reception** over refreshments and get to know the **community**

**1st April, 2009 – 1pm to 8pm**  
**University of California in San Diego, USA.**

**Places are limited – Reserve yours now!**

To reserve your place at this free event, please email [amqp.event@gmail.com](mailto:amqp.event@gmail.com) with your name, email address and contact telephone number to receive details and joining instructions.
